MT. VERNON
COMMUNITY SCHOOL CORPORATION

Resource Teacher

Qualifications:
Must hold a valid Indiana teaching license: Mild Intervention or Intense Intervention
Prefer experience working with students who demonstrate challenging behaviors.

Job Description:
This full-time teaching position provides academic and behavioral skill instruction for students in a resource classroom and general education classrooms to meet their individualized educational needs.

Reports to: Mt. Vernon High School Building Administrator
Start Date: ASAP

Job Responsibilities:

- Establish and maintain meaningful, positive relationships with students.
- Perform all duties of Teacher of Record, including chairing case conferences.
- Develop compliant transition IEPs
- Provide explicit instruction in behavioral and academic skills to students as outlined in their Individualized Education Programs (IEPs).
- Provide instruction to students who are working through credit recovery coursework.
- Provide reteaching of core content instruction, as needed for students.
- Provide explicit, targeted social skills instruction for students. This instruction must align with the skills that adversely impact the student's ability to experience success in the classroom.
- Conduct Functional Behavioral Assessments as part of a team (BCBA, Special Education Teacher, General Education Teachers)
- Develop and amend Behavioral Intervention Plans based on student data.
- Implement effective reinforcement systems, reviewed and amended based on behavior data, to meet individualized student needs.
- Collect progress monitoring data to inform instruction (academic and behavioral).
- Participate in PLC meetings.
- Implement Crisis Prevention Intervention, emphasizing de-escalation as needed to support students.
- Collaborate with teachers and school staff
- Communicate effectively with parents
