MT. VERNON
COMMUNITY SCHOOL CORPORATION

"Engage, Educate, and Empower Today's Students"

High-Intensity IA for Essential Skills Classroom

JOB DESCRIPTION:

- This position supports students who receive primary instruction within a special education classroom
- This position supports students to grow academically, socially, and behaviorally.

JOB QUALIFICATIONS:

- Complete the Mandt (crisis prevention intervention) relational and technical certification
- High School Diploma or equivalent
- Pass the MVCSC required background check for employment

ESSENTIAL FUNCTIONS/JOB EXPECTATIONS:

- Under the direction of a special education teacher, provide academic and behavioral instruction to students as outlined in their Individualized Education Program (IEP).
- Under the direction of a special education teacher, assist students in learning and using visual supports and structured work systems.
- Support students within general education classrooms and vocational settings as outlined in their IEP.
- Support students to gain independence in all areas of development. This includes assisting with self-care and toileting, including changing diapers for students who are not yet independent with toileting.
- Under the direction of the special education teacher, assist in implementing students' behavior intervention plans, including systems of reinforcement.
- Implement sensory supports under the direction of the special education teacher and occupational therapist.
- Support toileting - which may include diapering students.
- Assist in data collection under the direction of the special education teacher.
- Support students in a calm, respectful manner at all times.
- Attend to the safety and well-being of the students.
- Collaborate with all team members, including teachers, speech and language pathologists, occupational and physical therapists, and administrators.
- Maintain confidentiality, as outlined in the Family Education Rights and Privacy Act (FERPA).
- Participate in orientation and professional development activities provided by the school
- and training provided by the immediate supervisor.
