"Engage, Educate, and Empower Today's Students"

Special Education Teacher - Temporary

Job Description:
We are looking for a team-oriented, enthusiastic professional educator with the ability to connect and build positive relationships with students, while working to support student's individual learning needs.

Qualifications:
To be considered, the applicant must hold a valid teaching Special Education license.

Job Requirements:
The candidate should display a great degree of skill in the areas of organization, collaboration, and communication. Additionally, the teacher is expected to demonstrate high levels of professionalism, to develop and implement IEPs, conduct annual case review conferences, provide small and large group instruction, exercise confidentiality, communicate effectively with parents and students, work collaboratively with staff, follow Article 7 laws and regulations, implement effective classroom management and behavioral intervention strategies, and nurture positive relationships with students. Job responsibilities include but are not limited to:

- Provide individualized academic instruction to students, aligned to the alternate achievement standards.
- Collaborate with the general education teachers and school staff to meet the individualized needs of students on his/her caseload.
- Differentiate instruction in order to meet students' individualized educational needs.
- Provide instruction surrounding daily living skills, as appropriate.
- Establish positive relationships with families.
- Include parents as equal partners in the development of their child's IEP.
- Complete all of the duties of Teacher of Record.
- Provides instruction and support to the Instructional Assistants in order to best meet students' needs.

Interested applicants should submit the following through the certified application process via Skyward:

- Resume
- Letter of interest
- College transcripts
- Copy of teaching license
- 3 letters of recommendation
