

Speech-Language Pathologist (SLP)

Scott County School District 2
Position Summary

Scott County School District 2 is seeking a dedicated, collaborative, and student-centered **Speech-Language Pathologist (SLP)** to join our Office of Exceptional Services. This position serves students with speech and language disabilities across a variety of educational settings and functions as both the **Teacher of Record (TOR)** and **Teacher of Service (TOS)**.

The Speech-Language Pathologist provides evidence-based assessment and intervention services that support students' communication skills and academic success while collaborating with educators, families, and multidisciplinary teams. The ideal candidate is highly organized, efficient in managing a caseload, and committed to delivering high-quality, compliant services.

Essential Responsibilities

- Provide direct speech-language therapy services to students identified with speech and language disabilities.
- Serve as the **Teacher of Record (TOR)** for students whose primary disability is Speech or Language Impairment.
- Serve as the **Teacher of Service (TOS)** for students receiving speech-language services as a related service.
- Knowledge of Augmentative and Alternative Communication (AAC) systems and implementation within educational settings.
- Manage and prioritize a caseload while maintaining timely documentation, service delivery, evaluations, and progress monitoring.
- Conduct evaluations, reevaluations, screenings, and assessments to determine eligibility and educational needs.
- Develop, implement, and monitor compliant Individualized Education Programs (IEPs), including present levels, measurable goals, accommodations, specially designed instruction, and progress reports.
- Collect and analyze student performance data to guide instructional decisions and monitor student growth.
- Complete required Medicaid billing accurately and within established timelines.

- Maintain accurate educational records and ensure compliance with IDEA, Article 7, Medicaid requirements, and district procedures.
- Collaborate with teachers, administrators, families, and related service providers to support student success in inclusive educational settings.
- Participate in case conferences, multidisciplinary team meetings, eligibility conferences, and professional learning opportunities.
- Provide consultation and communication strategies to classroom staff to support students' communication needs.
- Maintain confidentiality while adhering to all professional, ethical, state, and federal standards.
- Travel between multiple district buildings, as assigned, to provide services and attend meetings.

Qualifications

Required

- Master's degree in Speech-Language Pathology.
- Current Indiana Speech-Language Pathologist License (or eligibility).
- Indiana Department of Education certification/licensure (or eligibility) to serve in public schools.
- Strong organizational, communication, and collaboration skills.
- Ability to efficiently manage multiple priorities while maintaining compliance and providing high-quality services.
- Knowledge of special education regulations, IEP development, educational service delivery models, and Medicaid documentation requirements.
